

Privacy Browser Android - Feature #446

Consider adding an option to display bookmarks in the body of new tabs

05/17/2019 12:23 AM - Izra Minhas

Status:	New	Start date:	05/17/2019
Priority:	3.x	Due date:	
Assignee:	Soren Stoutner	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Please add an option to show bookmarks on new tab empty page like speed dial to save one click. Plus put a "x" button somewhere on open tabs because first click; select the target tab, second click; swype left to right, third click; close the tab.			

History

#1 - 05/17/2019 01:51 PM - Soren Stoutner

- Subject changed from *Speed Dial and tab close button* to *Consider adding an option to display bookmarks in the body of new tabs*

Please create a separate issue for each request. It makes tracking them easier.

The closing of tabs is addressed in <https://redmine.stoutner.com/issues/416>, which will be included in the 3.1 release.

#2 - 05/17/2019 01:51 PM - Soren Stoutner

This issue is related to <https://redmine.stoutner.com/issues/289>.

#3 - 06/07/2019 01:54 PM - Soren Stoutner

- Assignee changed from *Izra Minhas* to *Soren Stoutner*

#4 - 12/28/2020 07:40 AM - Soren Stoutner

There are a number of complexities relating to this that make it more complicated than might be readily anticipated. Specifically, displaying bookmarks would require dynamically replacing the WebView with a ListView. This would vastly complicate the UI and could create performance issues for people who never use this feature. As such, I am inclined to not go this direction. However, I will leave this feature request open to see what type of user feedback and interest it attracts.
