Please add Syntax highlighting, make links clickable and also "find on page" option bring here.			

History

#1 - 08/30/2019 09:02 PM - Soren Stoutner

- Subject changed from "View Source" feature needs some improvements to Make links clickable in View Source

- Assignee set to Soren Stoutner

Please only submit one item per feature request.

Syntax highlighting is an existing feature request at <https://redmine.stoutner.com/issues/379>.

Adding search functionality is an exiting feature at <https://redmine.stoutner.com/issues/380>.

I will change this request to just concern making links clickable.

Thanks.
