| Grant users ability to disable clicked link color changes which can be detected by JS | | | |

History

#1 - 09/07/2019 05:40 AM - Soren Stoutner

- Assignee set to Soren Stoutner

- Priority changed from 3.x to 4.x

This is a good idea to make the default. In fact, I will probably make it the only behavior.

However, it will require Privacy WebView to make it possible, so it has to wait for the 4.x series.
