

Privacy Browser - Feature #662

Packet Capture

01/28/2021 09:02 PM - Rahi Akherajot

Status:	New	Start date:	01/28/2021
Priority:	4.x	Due date:	
Assignee:	Soren Stoutner	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Show GET/POST data in Requests section. This will be useful if someone wants to see what raw data has been sent on different servers. I think this will require Privacy WebView.

- Priority changed from 3.x to 4.x

This is a good idea. You are correct that this will require Privacy WebView as Android's WebView does not expose GET/POST information. Hence, it will have to wait for the 4.x series.
